Oral memorization of Commands

Assessment : students will perform the website building process by themselves

LESSON PLAN

Grade: 9

Subject: Economics معاشیات

Date: 7 to 11 Oct

TOPIC: Evolution of Economics Life

SWAT : (Students will be able to understand)

- **Hunting and gathering stage- substance (Household) Economy (Root Grubbing Stage)**
- **Pastoral stage- Concepts of Private Property (beginning of exchange economy).**

Activities (سرگرمیاں)

Activities for Students

1. Barter Trade Simulation:

Objective: Help students understand the pastoral stage and how trade worked before money.

Activity: Each student gets different items (fruits, pencils, books, etc.).

They must trade with each other using the barter system—no money allowed!

Discuss the difficulties of barter after the activity.

Evolution of Tools & Machines (Timeline Drawing)

Objective: Visualize how tools developed from the hunting stage to the industrial era

: Activity

Students draw a timeline showing tools from each stage (e.g., spears for hunting, plows for agriculture, steam engines for industry)

They present how these tools changed the economy
